

OCS - Charging for Customer Service

11 March 1964 a check on open literature regarding any types of arrangements for prorating computer costs among users was requested by AD/CS Becker. This question continued to be raised but no satisfactory solution yet reached.

SCIPS - CODIB

STAT

[redacted] (16 Mar 1964) felt OCS shld cooperate but not initiate any action to bring a community body under CIA control unless DCI directed. If DIA took initiative he felt they wld be picking up one more problem. He didn't feel they wld be able to use SCIPS data any more than OCS had been able to, which was not much.
